## Job Vacancy Title - Director of Coaching

The general purpose of the IRSA or Association is and shall be to educate the public and gather support for organized soccer teams, recreation, education, participation and training in the Indian River County, Florida area. As part of recent changes and re-structuring of our development program we are looking to recruit a Director of Coaching to join our Club. The successful candidate will be largely based at the Hobart Soccer Complex working with our trainers and players, their managers and their parents / guardians.

### **The role:**

Reporting to the Executive Director the successful candidate will be responsible for the development and management of the delivery of coaching at IRSA.

The candidate will implement and monitor the management and quality of all coaching that takes place at IRSA.

The candidate will oversee and supervise all IRSA coaching and player development matters. This is to include working with both ADP and CDP managers to improve player and coach development. Observe and evaluate practice sessions as appropriate. Offer guidance where necessary. Provide support and help coaches improve player development. Be the contact person for any coaching issues, including training, concerns, disputes and report to the ED for any significant issues.

The ability to monitor and evaluate all activities will be essential to ensure successful development and sustainability of this new, exciting post.

**Compensation: Annual compensation including incentives based on performance**
